“Incredible things can be done simply if we are committed to making them happen”.

Sadhguru Jaggi Vasudeva

“Every day do something that will inch you closer to a better tomorrow”. Olympiads are a basic academic skill test that can be utilize for students to determine approximate students academic performance. Olympiad exams focus on knowledge skills, good learning skills, basic skills and inner motivation of success. It has a demanded approach to put strength in growing environment These exams help students to cultivate analytical thinking which is useful in any examination.

Olympiad exams are considered as a burden by many students. They take it as an addition to their routine studies. Parents believe that appearing for Olympiad exams hamper their child’s academic grades. As it is said, every coin has two sides; such is the case here also. It is advisable to consider Olympiad bliss rather than havoc. These exams give a chance to students to sharpen their skills. They tackle a number of problems at a level they are not likely to encounter in their classrooms. Students gain additional knowledge and get an early exposure to competition and learning. They learn to confidently write answers. These competitions sharpen the minds of the youth.

Olympiad exams help to identify young geniuses. It brings out the best in students. There are various exams conducted on various subjects like Science, Mathematics, General Knowledge Computers, English,... that help students to solve complex problems in no time. It is not just an exam; its objective is to provide a competitive platform to students, thus creating a talent pool for the future.

In today’s world computer literacy is a must and computer education should begin at an early age. Eduheal foundation caters to the knowledge as well as to the recreational needs of the children. It also supplements their school education as well as acquaints them to the computer and the internet.

Science skills have become even more important in today’s economy dominated by information technology, communication and entertainment. It helps to create awareness by bringing in an element of challenge and competition. It inspires the younger generation who enhance their knowledge and aptitude for careers in science. Mathematics scales are important in today’s economy with the advent of computers and calculations. It is one tool which is maximally used on a day to day basis.

General Knowledge is equally important for a student to be updated on the current events happening in India and the world. Besides current events the focus is on History, Geography, Science which helps the students in almost all competitive exams.

Above all, participating in Olympiad exams and representing one’s state or country at the National and International level gives satisfaction and pleasure which itself is the best reward.

Ms. Kainaz Ukaji
EduHeal Coordinator

Pre-Primary Activity:

Every Child deserves a Champion—An adult who will never give up on them, who understand the power of connection and insists that they become the best that they can possibly be.....

WORLD ELDERS DAY

ELDERS DAY was celebrated on Monday, 3 October where children came dressed in as their grandparents and made a card for them.

SPREAD A SMILE

On Tuesday 18 October, an emphasis was given to students that a smiling face is liked and welcomed by everybody, so the tiny tots were made to wear SMILEY BADGES and were told to SMILE always.

The WALT DISNEY Parade.....

On Friday 11 November, Students came dressed as Walt Disney characters, performed the parade, followed by role play of their character.

ANTARIKSH TALES

Antariksh was introduced to our students on Monday 23 January through a colourful PPT, Story telling and charts. They learnt about the Solar System, Planets and Outer space.

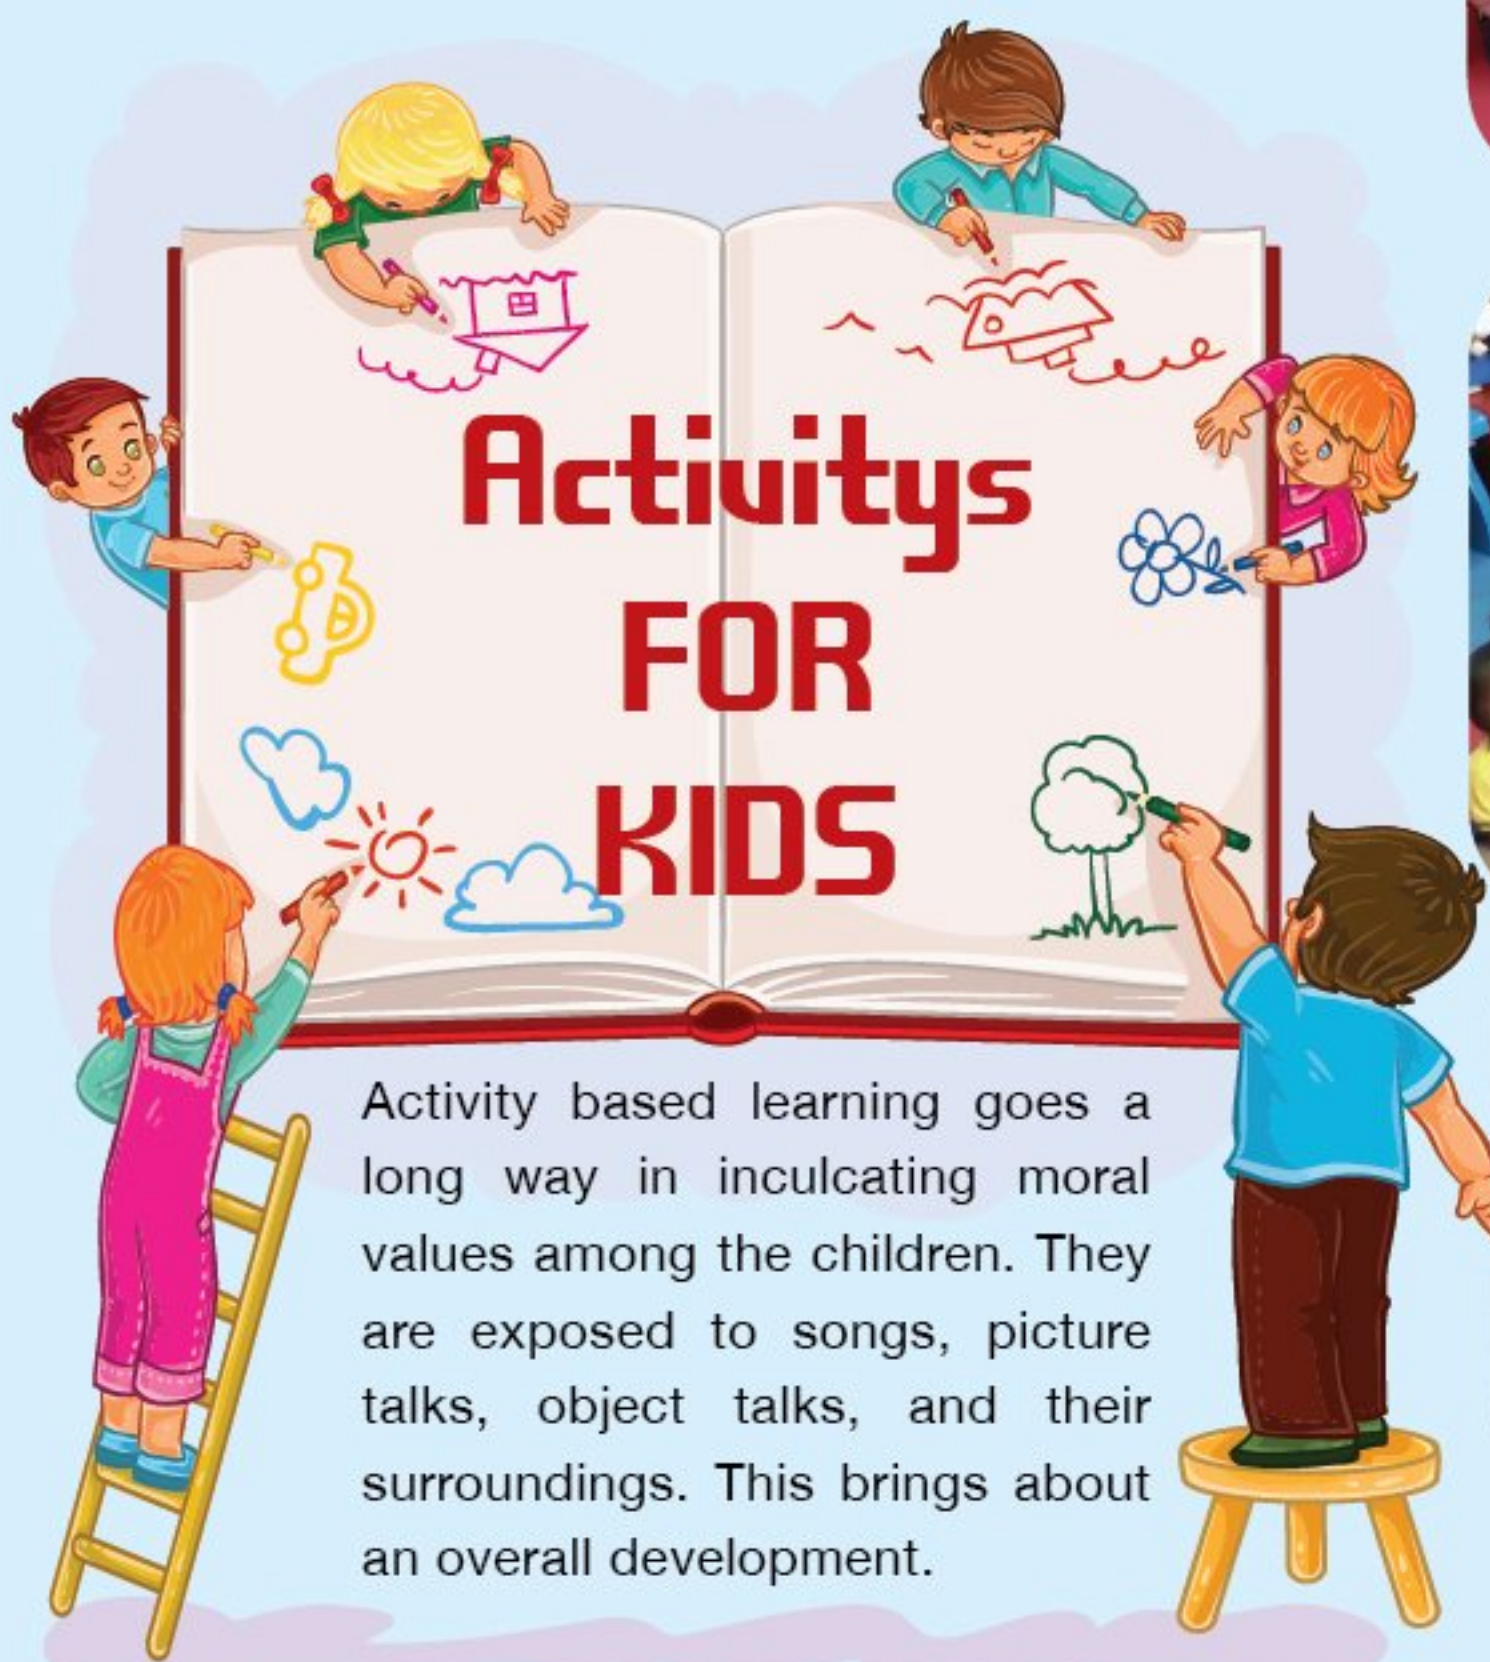

INTERSCHOOL COMPETITION

On Friday 16 December, Our young athletes enthusiastically participated in an event organised by "GUNDECHA ACADEMY ".It was indeed a proud moment to see our children spreading their wings in another school too!.Our student of SR.KG "MOINUDDIN MENON "won the Gold medal (First Prize).

SAVE WATER

Activity based learning goes a long way in inculcating moral values among the children. They are exposed to songs, picture talks, object talks, and their surroundings. This brings about an overall development.

COME CELEBRATE WITH US

For holistic development of our children ,we enrich their knowledge by celebrating different festivals of India such as , Ganesh Chaturthi, Eid, Navratri, DUSSERA, Christmas,. They come dressed in traditional outfits, share sweets among their friends, and greet each other.

DIGNITY OF LABOUR activity will help our children to appreciate and respect the Community Helpers of our society. On Friday 10 February they came dressed as cobblers, farmers, postman, doctor, gardener and teachers. They were made to understand that no work is big or small!

ANNUAL SPORTS DAY

On Saturday 17 December 2016, City Prep celebrated its Annual Sports Day. Sports makes the children physically and mentally happy. The School ground was filled with zeal and excitement. Students performed the dance drill, followed by the variety races. The proud winners were felicitated by medals.

DENTAL

CHECKUP

A Dental Camp was held on Wednesday 11 January in the school, where personal feedback forms were given to every child. Children were told by the doctor to take care of their teeth.

A Dental Camp was held in school for the primary and secondary section. Dr. Swati Bharti from 'Rootz Dental Clinic' with her team checked the students dental problems and guided them how to take care of their teeth..

ANNUAL SPORTS DAY

Annual Athletic Meet was organized at Prabodhan Sports Complex, Goregaon on 1s and 2nd December 2016.

The Meet started with the March Past of four houses and Walk Past of different activities practiced in the school. After the grand opening ceremony the races took a start.

N.S DIXIT MEMORIAL BOX CRICKET TOURNAMENT

Interschool Box Cricket tournament was organized in City International School on 18 December 2016. It was organised for different age groups U/14 and U/16. Around five schools participated and were the final winners. There were trophies for different categories like Man of the Match, best bowler etc.

ENVIRONMENT CLUB

Swachh Bharat Abhiyaana Cleanliness Drive Programme was organised to create awareness among the students regarding Cleanliness and its benefits. Students of class III, IV, VIII & IX of the Environment club participated in the Cleanliness Drive. As a part of this Cleanliness Drive, they had to clean the school and the vicinity around. Awareness was spread through a rally of students carrying banners and posters.

Young Energy Savers

DIWALI SPECIAL DIYA DECORATION

Diya Making Competition

With the excitement of the festive season in the air, the students of Primary Section participated in the Diya Decoration Competition which was held on 7 October 2016. They displayed their creativity by decorating the earthen lamps beautifully. Children also learnt about the significance of lighting Diyas on Diwali.

TALK SHOW

Celebrating the International Year of Pulses

A TALK show was organised on 11 Nov 2016, as our school is celebrating the International Year of Pulses. A PPT presentation was shown. A talk show was conducted by Mrs. Shubhada Kannade who is a dietician and explained to us the importance of pulses with the help of PPT.

Pulses are grown in all parts of the world. India is the world's largest producer of pulses. It is very important to farmers as they give ready cash to them. Pulses are rich in fiber, minerals and high in protein. They are easily digested when consumed.

Mrs. Shubhada Kannade explained the importance of pulses by giving examples like – Name a few cartoon characters well known for their super powers. From where do they (Hulk, Spiderman and Superman) get energy? They get ENERGY from PULSES.

Pulses can be grown in all conditions. It plays an important role in crop rotation, thus maintaining the soil fertility. It is also helpful in checking soil erosion. It being a legume fixes atmospheric nitrogen into the soil. Pulses supply fodder for cattle, raw materials for various industries etc.

What I liked the most about the talk show is that, I came to know more about the importance of pluses in our life. After listening to the talk show I have decided to include pulses in my daily diet so that I will have good health and my body is protected from dangerous illness.

By George LINSON.T. Class - III A.

Master Mind Quiz Season

Master Mind Quiz Season III was organised and conducted for the students of Primary section on 20 December 2016 in the assembly hall. The questions were related to various subjects like General knowledge, Mathematics, Science, Computers etc. It evaluated the knowledge, understanding and mental skills of the students. Winners were felicitated. There was prize for the audience (students) for giving the correct answers.

Master Mind Quiz was a by one and all..

interhouse hindi padal padharon

प्रति वर्ष हमारी पाठशाला में हिंदी स्पर्धाओं का आयोजन किया जाता है, जिसमें ज़्यादा से ज़्यादा छात्र उत्साह पूर्वक भाग लेते हैं। इन स्पर्धाओं के पीछे हमारा यही उद्देश्य होता है, छात्रों का आत्मविश्वास बढ़ाना तथा हिंदी भाषा के प्रति उनके मन में रुचि उत्पन्न करना। इस वर्ष भी हमने हिंदी काव्यस्पर्धा का आयोजन करके ऐसा ही एक छोटा सा प्रयास किया। इसमें कक्षा १ से ४ तक के छात्रों ने भाग लिया तथा अपनी पसंदीदा कविता सुनाई। उनकी कविताओं ने सभी का मन मोह लिया। निर्णायक गणों के लिए भी यह तय करना मुश्किल हो गया की किसकी कविता सबसे अच्छी थी। इस तरह सफलतापूर्वक यह कार्यक्रम समाप्त हुआ तथा सभीने इसका भरपूर आनंद उठाया।

नोट बंदी

कितनों ने ही खरीदा सोना,
मैंने एक सुई खरीदी,
सपनों को बुन सकू जितना,
उतनी डोरी खरीदी।
सबने ज़रूरतों से ज़्यादा बदले नोट,
मैंने तो बस अपनी ख्वाहिशें बदल ली।
शौक ए ज़िन्दगी कुछ कम कर लिए,
फिर बगैर पैसों में ही सुकून ए ज़िन्दगी खरीदी।
बैठे कतार में लोगों ने जब जान दी,
नोटों की फ़िक्र छोड़ मैंने घर बैठने की ठान ली।
क्या हुआ, कैसे हुआ, क्यों हुआ
इस उलझन से परे,
मैं अपने दिल को समझाकर
अपनी दुनिया लौट चली।
ELINA KHOJA—III B

बेटी बचाओ बेटी पढ़ाओ

क्यों! आखिर क्यों एक बेटी का जन्म होने से पहले ही उसे कोक में मार दिया जाता है, वो भी जीना चाहती है, झिलमिलाना चाहती है, पढ़ना चाहती है, अपने माँ बाप के बुढ़ापे का सहारा बनना चाहती है। जब भगवान जी ने उसके हाथों की लकीरे भी नहीं बनाई, और उसके परिवार वालों ने उसकी ज़िन्दगी का फैसला भी सुना दिया। कहो किसी के पास है जवाब? तो सुनो!....
लड़को जैसी लड़कियाँ भी माँ की कोक में पलती हैं,
आँखें उनकी लड़कों जैसी पैदा होके ही खुलती हैं,
साँस उनकी बेदर्दी से कोक में ही रोकी जाती है।
उनको हक है जीने का, वह भी जीना चाहती हैं।
जिस देश में बेटी को कन्या कहा जाता है,
उसे माँ दुर्गा, सरस्वती, और माँ लक्ष्मी के रूप में जाना जाना जाता है।
फिर क्या हो गया की उन्हें ही मार जाता है?
मेरी आप सब से एक प्रार्थना है,
बेटी बचाओ, बेटी पढ़ाओ।
NIDA IRFAN SHAIKH – III C

Kai Po Che! (I have cut the kite) were the words echoing everywhere in the school ground on 13th of January, 2017 when Primary Section celebrated Makar Sankranti with special zeal and fervour. Students of standard IV flew colourful kites. It brought a sense of happiness and joy among the students. A special assembly was also conducted by the students, which emphasised on the significance of Makar Sankranti and precautions to be taken during kite flying. All these were presented through a skit titled -**“CIS Sanskritik Channel”**

GIZMO GEEKS

Our school participated in the 11th year of the Gizmo Geek 2016 organized at Lilavati Podar Secondary High School. 30 schools from all around Mumbai participated in the event. 13 students from class I to X participated in the various events under the guidance of Ms. Garima and Ms. Alpa.

One of our student Vishnupriya from class VIII secured the second position in the photo- editing competition.

It was an amazing experience and students spent a day well as they got exposure to lot of things.

Reduce-Reuse and Repurpose into Art.

“Creativity never goes out of style” which was proved by the students activity ‘Best out of Waste’ held on 17th November 2016.

In order to make children aware of uses of waste material, and to teach them the importance of reducing waste to save our future, the ‘Trash to Treasure’ competition was organised for the students from class I to IV. The main objective of this activity was to enhance the students creativity and make them understand the importance of

The 3 R'S.....REDUCE, REUSE and RECYCLE.

GRADUATION DAY!!!

On Friday 24 March 2017 a Special Assembly was organised by the students of class III to wish them Good Luck and success in all their endeavours. Students of class III made the moment memorable, lively and entertaining through skits, dances and soulful songs. The most awaited moment for the students of class IV was “Fashionista” and “Prince & Princess of CIS” whereas for class III was the “Investiture Ceremony”. Class IV handed over their responsibility to the promising, capable and committed students of class III. The Farewell filled the air with zeal & enthusiasm.

A letter

Good afternoon everyone, I am Aafreen of Class IV C. I joined this school as a tiny toddler in the nursery. Initially I used to cry to come to school, an everyday drama. But as time went by I started enjoying school as I realized that the teachers were kind, helpful and took real good care of me and all the other children. Before I realized I was in the first grade. Things were different now, though the teachers were still kind and helpful. I had to pay more attention to my studies. Fun and frolic took a back seat, studies, paying attention in class, doing my homework, etc became my priority. But I, was happy as my friends from my nursery days were with me and our friendship grew strong bonds. Later, I was chosen as the Vice Captain of the yellow house. However towards the mid term, our yellow house captain (Aditi) had to leave school, so it was a shock and a surprise to me when the teachers chose me to replace her! It seemed like a dream come true! Being a student of the senior most primary section and the captain of my house I shouldered many responsibilities along with excelling in studies. Though I am excited and looking forward to being a Secondary Section student, I am going to miss the Primary. I love my teachers and because of them that

I stand here today. THANK YOU!

City International School celebrated the 68th Republic day with great enthusiasm. We celebrated the 68th Republic day along with our country on 26 January to honour the Constitution of India as it came into force on the same day in the year 1950.

The guest of honour for the day was Mr. and Mrs. Shah, the parents of our topper in March examination 2016, Jay Shah. The students of class V to X, teachers, P.T.A members, parents and ex-students were present for the programme. The General proficiency certificates were given to the students of class I to X who excelled in the academic year 2015-16. Students who excelled in sports, Olympiads exams were also awarded.

Investiture Ceremony Student's Council

The Investiture ceremony was held on this day to signify the role being played by our young leaders. It was a solemn occasion where the newly elected student's council were prepared to don the mantle of leadership and discharge the responsibilities entrusted upon them by the school.

The newly elected student's council comprised of the Head boy, Head girl, The House Captains, Vice-Captains and assistant vice captains, Sports Captain and the Vice Captains.

The outgoing Student's Council handed over the sashes and the house flag to the newly elected council members- 2017-2018.

DESH APNAYEN SAHAYOG FOUNDATION

An award is a form of honor, a kind of recognition aimed to felicitate one's excellent contribution in a chosen field.

Proud to declare, that our City International School has been conferred with the Desh Apnayen

Award, 2016-2017. Miss Effie Mathias, HOD- Social Science/ History, Civics was conferred with the Champion Teacher Award, 2016-2017 under the Desh Apnayen Teacher's Category. In order to motivate the students Desh Apnayen provided the Star Student Citizen certificate for 15 students for active participation in Civic Management projects, demonstrating emphatic thinking, good citizenship behavior values. Proud to announce that out of 120 schools only 10 schools were selected for the award. This is the first year of participation and yet to bag this award was a real achievement.

Miss Komal Shah, the Chief Operating Officer at Desh Apnayen Sahayog Foundation appreciated the efforts being made by our school to develop the students into engaged community members and virtuous citizens.

STUDENT ELECTIONS

The procedure began in the first week of January. The house teacher nominated the probable candidates to contest the election. The nominees were given particular date to give their speech and convince the fellow students followed by canvassing on the same day. 23rd January, 2017, the election for the student council was held in school premises. Students from class V- X voted for their favourite candidates. The Final results were declared on 26th January.

The aim of the election process was to make the students experience the actual procedure of general elections and the importance of exercising the right to vote.

The complete life, the perfect pattern, includes Old age as well as youth and maturity. Old age has its pleasures, which though different are not less than the pleasures of youth. This is something that we at CIS realized when we visited St. Anthony's Old Age Home at Bandra on 5th February 2017 with students of class IV along with few teachers and a PTA member. We presented them with flowers and cake, sang few songs and danced with them.

CIS MUN

The most awaited event by the students of Std. VIII, IX and X. The students were divided into committees and were allotted countries well in advance so that they could begin their research work. The students were guided accordingly for the research work. The students were given the topics and were guided to do the research work and work for the Position Paper. The Students/Delegates were asked to submit their Research work and Position Paper. The Chairs and Co- chairs of the committee were to check the work accordingly.

The two days session had been quite hectic for the students. Yet they had participated whole heartedly and had prepared themselves very well.

Global Village and Award Ceremony.

Our students had dressed up in their country attire. The delegates had put in their level best to represent their countries by way of charts, PPT, Map, Quiz and so on.

CREATRIVE WRITING

BE NICE TO EVERYONE

To all children who feel superior by making others feel bad or by hurting other's feelings, here are small simple story that I would like to share with you. Its not an original story written by me but a story that my parents told me and is very close to my heart and changed the way I behave and treat people. So the story goes like this: There was once a little girl who was very mean and she said mean things to her friends and made fun of people without realizing how she hurt their feelings. So one day her parents punished her and told that they would not take her out anywhere if she did not mend her ways. The girl was stubborn and she said, "But I said sorry to them" Then her father asked her to "get a piece of paper and crumble it into a ball. After a while he told her "I will forgive you only on one condition, if you can open up the crumpled paper and make it exactly like the way it was before you crumpled it." So the girl tried everything to make the paper look like the way it did before, she even tried to iron it but there were still creases on the paper and it was not as clean and smooth as before. She then handed the piece of paper to her parents and told them, "I tried to do everything but the paper still has a few creas- es." Her mother then told her "That's exactly what happen to someone's heart and feelings when you say mean things to them, no matter how much you try to mend it later or say sorry, it will always leave a little mark in their hearts. That is why you should never try to hurt anyone's feelings or be mean to anyone." From that day, the girl promised to be kind to everyone she came across and promised never to be mean.

OUR MONUMENTS

There are several monuments in India. They are the pride of India. But people have started littering and scribbling on the walls of the monuments. If this continues India will lose its pride. Some monuments are built by the Indian kings and some by Britishers. Some of the monuments of India are The Taj Mahal, The Red Fort, India Gate etc.

If we want to preserve our monuments, we should not scribble on the walls of the monuments and litter around them. If you want to preserve your monuments spread the word that I have just mentioned and then see, how our monuments will be safe and sound.

CREATRIVE WRITING

Children's Day

Hello friends! Today I am going to tell you about the best day of my life. It's Children's Day! I just hope you know Chacha Nehru's birthday is celebrated as Children's Day. This year our teachers were planning something special for us. We were all very excited. It was all going to happen on Friday (11/11/2016). We waited impatiently for the day to come. At last; the day came. We all settled down in the assembly area and only the prefects were standing (I am a prefect). It started with Anuja ma'am giving a welcome speech and welcoming our beloved Principal ma'am. Then the show started beautifully. First some teachers sang a beautiful prayer song. I was very happy to see Chhabria ma'am singing in the front row of teachers. Then Hema ma'am read some information about Chacha Nehru followed by quiz and the prizes were – pencils, colour pencils, crayons, and a Ben Ten toy! Then some teachers danced on "Chitiya Kalaiya" and "Manama emotion jage re". We all loved to see them dancing. After Tasleem ma'am song there was an act. Our teachers had made this act so much funny that I laughed so hard that my tummy hurt. In this act, our teachers, who are usually quite strict were acting as students. Seeing this role reversal was so much fun. I thought that the teachers who were working in the act (Alpa ma'am Mamta ma'am, Reshma ma'am, Meha ma'am, Sangita ma'am, Suvarna ma'am etc.) should get the "funniest act in the whole word" award. I was very proud to know that my class teacher, Suvarna ma'am had written and directed this act. After this some of us got an opportunity to express our views about our future Dreams. Then there was a puppet show which included Mickey Mouse, Minnie Mouse, Chhota Bheem and many other animals and birds. Last but not the least, there was a grand finale in which the teachers danced on "Kala Chasma" and on "Zingat" (a Marathi song). It was the best day ever. I just wish that the entire Children's Days could be the same.

By Sanika Moghe (IV B)

ADIEU SENIORS

Dear seniors, I will not go into vivid details to describe how amazing seniors you have been and I'm sure you would agree that you couldn't have had better juniors too! Jokes apart..... Honestly, we all have learnt a lot from you all and many of you have inspired us in many different ways. In a couple of years you will be in different corners of the world, you'll meet different people and work at different places, but I am sure there will be a time, when you will wish to come back to your old school, CIS, which some of you have once disliked and gradually grown to love. I'd like to tell all of you, it is the universal truth we all have to face, whether we want to or not, everything eventually ends..... Leaves fall, You close a book, You say good bye.

Today is one of those days for you all. However, even though you might think it's over, I'm sure you will agree that you will never stop being a part of the CIS family. Wherever you may go and whatever you may, you will always carry a piece of CIS with you. We hope you will always keep the CIS flag flying high wherever you may be.

We wish you all the best for your future. May you find the mountain that is right for you. Give and receive support all along the way, be patient and brave through the ups and downs that you will face in your life. And most importantly learn to enjoy the journey you are about to embark upon.

As one of my favorite author, Dr. Seuss says: "You're off to great places, today is your day. Your mountain is waiting so get on your way!". As you go on your new journey don't be afraid of failure and never be afraid to make mistakes, to stumble and to fall because of the times, the greatest reward comes from doing the things that scares you the most. Always believe in your dreams BUT at the same time work hard DREAMS come true!

May the dreams of your past be the reality of your future!

BY-MAANVI SINGH (VII A)

CREATRIVE WRITING

Be like the moon

The Moon- a wonderful sight to behold. According to some, the Moon is just an astronomical body that orbits planet Earth. I think it's much more than that.

When a person, young or old, looks at the Moon, they are spellbound by it. All it does is do its job; to come and pay the world a visit at night, and disappear in the morning after leaving an impression that one doesn't forget.

That's not its complete job description. It was created to embed a deeper meaning. "Don't tell me the sky's the limit when there are footprints on the Moon", a quote, that highlights the perfect meaning of the beautiful celestial body.

The Moon causes tides; it's not something easy. To be able to affect the oceans and seas of the world; it surely is a tiring job! Only after it goes through the tiring and difficult process to do this, it attains that appreciation it truly deserves. But its work is not yet complete. Rising up in the night sky every time and illuminating it so wonderfully is when the Moon gains true satisfaction. Capturing people's hearts with such a beautiful act, leaving their mouths open in awe.

And yet, there are people who don't like it all that much. They think that it's the Sun who does the actual work. The light the Moon is giving out is just something it stole from the Sun.

Does this stop the Moon from doing what's it meant to do? No, it doesn't. It doesn't matter to the Moon if it's not appreciated enough for the work it does. The Moon keeps going on and keeps putting the people who love it in fascination.

This is what the complete job description of the Moon is; to teach us that no matter what we do, no matter how much we work hard, there will always be people who will only try pinpoint the faults in you. Instead of being affected by them, one should focus on the people who appreciate them. By doing this, they are inspired to work harder and continue with whatever they're doing.

'Stay focused, go after your dreams and keep moving towards your goal', a line said by LL Cool J is the perfect motivation one needs. It doesn't matter in what way you do it, but always believe in yourself and focus on your goal and the positive things in your life.

Every second that passes by crucial, so be like the Moon. Do your job in silence and let the people see your talent through your beautiful glow.

By- Aaliyah Bukhary (VII A)

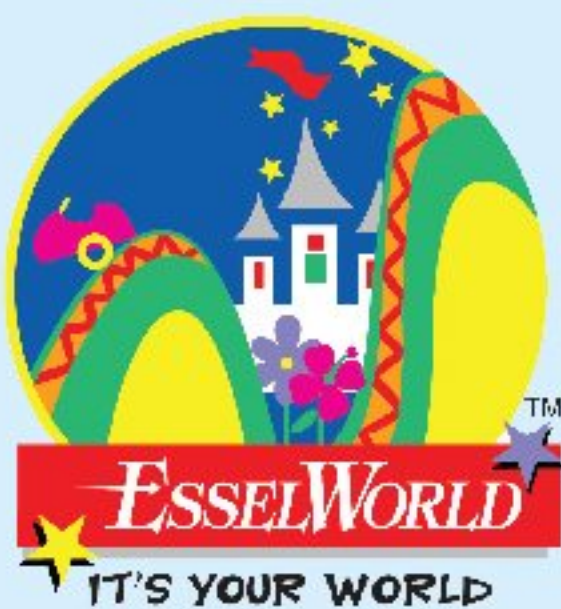

EXTREME ADVENTURE PARK

In order to renew the mind, rekindle the spirit and revitalize the strength for the students of Class X, the School organized an overnight outing for the students on 19 and 20 Dec 2016.

Our 63 students and 5 faculty members set forth to Zara Resort and Della Adventure Park. Our Students were taken to the Handloom Weaving Centre run by the blind aged people, a sort of a village school. Frooti, biscuits and

useful articles were given to these people which brought smiles galore !!

Students of class V to IX were taken to Essel World on 3 February, 2017. There were approximately 350 students. All students were excited and ready for enjoyment. Students scattered themselves in the amusement park to enjoy to the fullest. At around 2pm the students had the yummy lunch. Post lunch they enjoyed the rides again. The students the amusement park and reached the school by 7:30 p.m. with happy memories. What a wonderful experience!

हिंदी वाद विवाद प्रतियोगिता

हिन्दी विभाग द्वारा आयोजित वक्तृत्व स्पर्धा एवं वाद - विवाद प्रतियोगिता का आयोजन दिनांक 5 जनवरी 2017 को किया गया। कार्यक्रम की समय अवधि 8:00 से 9:15। कार्यक्रम का आरंभ सरस्वती वंदना तथा गणेश वंदना एवं नृत्य द्वारा किया गया था। यह कार्य मिस पूजा एवं मिस प्रतिमा की देखरेख में निखरा। मंच संचालिकाओं में विद्यार्थियों ने अपनी निपुणता दिखाई। जिस कारण उन्हें भी प्रमाण पत्र प्रदान किए गए।

कार्यक्रम दो सत्रों में विभाजित था प्रथम सत्र में पाँचवी से सातवी के विद्यार्थियों ने काव्य - आवृत्ति में भाग लिया।

इनकी कविताओं का विषय -वीर देश भक्त एवं मानवीय संवेदना, प्रेम, दया, कृतज्ञता, भाई चारा इत्यादि।

विद्यार्थियों ने देशभक्त वीरों का रूप धारण कर कविताओं को प्रस्तुत किया। यह कार्यक्रम 9:45 तक संपन्न हुआ जिसमें विजयी छात्रों को प्रमाण पत्र प्रदान किए गए। निर्णायक दल में डॉली मिस मोविना मिस एवं मिस संगीता ने प्रतियोगी छात्रों की काव्य - आवृत्ति की सराहना की।

मराठी भाषा दिवस

२७ फेब्रुवारी

मराठी साहित्याचा मानदंड वि.वा शिखाडकर यांचा जन्मदिवस

सोमवार दिनांक 27.2.2017 हया दिवशी शाळेत मराठी भाषा दिवस साजरा केला गेला. शहर कार्यक्रमास शाळेच्या माननीय मुख्याध्यापीका, पर्यवेक्षिका व सर्व शिक्षकगण तसेच इयत्ता 5 ते 7 वीचे सर्व विद्यार्थी उपस्थित होते. कार्यक्रम शाळेच्या कॅन्टीन भागात साजरा केला गेला. कार्यक्रमाची सुरवात सकाळी 9:30 वाजता झाली व सांगता 10:30 वाजता झाली. कार्यक्रमाची सुरवात प्रार्थना व प्रार्थनागीताने केली. त्यानंतर सुविचार, दिनविशेष व p.p.t. चे सादरीकरण करण्यात आले. काही मराठी व्यक्तीचरीत्रे व मराठी सण दाखवून त्यांची माहिती सांगितली गेली. सरतेशेवटी महाराष्ट्रातील लावणी सादर करण्यात आली. शेवटी मुख्याध्यापीकेचे दोन शब्द व आभाराच्या गोड कार्यक्रमाने कार्यक्रमाची सांगता झाली.

Diwali

Diwali, "The festival of lights" came alive at City International School on 21 October 2016. Students talked about the significance of the festival - how good always over powers the evil and also why and how Diwali is celebrated across India. Besides sensitizing students to the ill-effects of crackers, guidelines were given on a peaceful and bright Diwali!

Christmas is coming! Excitement's in the air.

It's more than just the presents; it's time to show you care!

Christmas is a time to give and forgive. Celebrated everywhere as a joyous family affair, we too, at School celebrated Christmas on 22 December 2016. Our children of the Primary Section exhibited their talent through skit, songs and dance performances. The skit highlighted the spirit of Christmas and the birth of Jesus Christ. Prayer and songs like "Dashing through the snow....." "We wish you a merry Christmas"etc. filled the air with festivity. Students performed dances adding to the festive air!

Eco Achievers Quiz

On the 14th of January 2017 CIS students participated in Eco Quiz at Euro School, Airoli. Ms.Beula accompanied 9 students from class V to VII for the competition .There were 3 rounds and the final team had 8 teams participating in it. Over all the students had a good experience and had a lot of fun. Everyone enjoyed and learn something.

Although we returned without any prizes we knew we had tried our best.We thank the school for giving us this opportunity.

spelling bee

Although we returned without any prizes we knew we had tried our best.We thank the school for giving us this opportunity.

Masterminds

“Somewhere, something incredible is waiting to be known”- Carl Sagan Mastermind was organized on 22 December

2016 for Class V to X to enhance academic and general knowledge among the students. It acted as a catalyst to foster interaction between students. Three students of each house were the representatives for the competition .There were four different rounds and the finalists were selected after qualifying the elementary round. The team with the maximum points were the overall winners.

Student Development Program

HINDUSTAN TIMES WORKSHOP

Various workshops were organised for students of Class V-IX on Adolescence, Moral Values, Voice Culture, Career Guidance and dealing with Failures respectively in the month of February.

These workshops were very engaging, educational, informative and entertaining especially for Class VIII as they have to choose their subjects this year.

The main objective of the Video Editing workshop was to train and guide the teachers along with students from class VIII and IX for Videography and Editing. The conductor explained the use of the Handy Camera, explained about the different features of the camera. Features like zoom in zoom out in a video, how to pause in between, inserting a memory card and its usage, etc. were explained. Later the steps to edit a video were explained. How to import and export a clip, how to add effects, sounds and other features in the video, arranging the clippings, splitting the video in parts, etc. was also discussed. For a better exposure to the editing features, the teachers were given an assignment to edit a small video.

PROFESSIONAL DEVELOPMENT FOR EDUCATORS

TKT Workshop - Cambridge English

The workshop was conducted by Miss Shayanti for the teachers of Pre – primary, Primary & Secondary Section. It mainly aimed at briefing & sensitizing the teachers regarding the importance of the 'Teachers knowledge Test' (TKT). Many interesting activities were conducted to enhance the involvement of teachers.

Sustainable Development And Effective Way Of Teaching Science

A seminar on sustainable development and effective way of teaching science was organized at Hotel Grand Peninsula for science teachers. It was headed by Mr. and Mrs. D'souza. Ms. Beula and Ms. Shaistha attended the seminar. Importance of Global warming, Ecological footprint, Sustainable development and environmental issues were discussed. Mr. D'souza displayed some science experiments and also explained the effective methods of teaching science.

OXFORD
UNIVERSITY PRESS

Ms. Kainaz Ukaji and Ms. Chaitali Rupani attended the workshop on Social Science conducted by Oxford University Press on 17 December, 2017. The workshop was conducted by Dr. Nishi Mishra, M.Phil and P.hd in Social System from our school.

Oxford University Press India, in its commitment to uphold the University's objective of excellence in research, scholarship and education organized an interactive workshop introducing teachers to the latest methodologies for teaching English Language.

The Workshop was conducted by Nicholas Horsburgh on 10th December 2017. He is the author of several successful courses in English and other subjects that are currently in use across the Indian Subcontinent. From our school Ms. Sangeeta Mandhyan and Ms. Kimberley Gonsalves attended the workshop.

Achievements

P.Vishnupriya of Class VIII secured the second position in the photo-editing competition in the Gizmo Geeks event held in Lilava- ti Podar school.

Keya Jog of class VI B won Bronze medal in Dr. Homi Bhabha Science talent search competition.

The school was awarded the International School Award (ISA) 2016-19 by the British Council for its excellent collaboration with the partner schools throughout the year.

Every year 'EduHeal Foundation' conducts International Olympiads related to school subjects. Our school has been conducting these exams since the last 6 years which boost the students confidence and knowledge of the subjects. This year our students Nivedita Ravishanker - Class IV secured Second position in G.K at the International level and awarded with a Tablet and Certificate. Aaryan Jogina - Class VII secured Third position in Mathematics at the International level and awarded with the cash prize of Rs.11,000. and Certificate. Mrs. Kainaz Viraf Ukaji the teacher in charge for Eduheal exams conducts the same with dedication and has been awarded with the Memento and the cash prize of Rs 8000. The hard work and dedication of the students and teachers has paved the way to success!!

Editor's Note

Dear readers,

You have in your hand "Spectrum- Be the Change", City International School Official Magazine. It captures the momentous moments of a CIS's journey. We have tried our best to make sure that this memoir of CIS helps you in recapitulating your eventful journey in this school.

Spectrum is a compilation of the immense effort put forward by our invincible students and is also a specimen of their creativity. It tries to bind together each and every aspect of our very own "CIS Family". This issue might be termed as a reminiscence of our school's motto- "Creating Global Citizens". This was another splendid year, with our students bringing laurels to the school in all possible spheres.

Isn't it rightly said, "A flower makes no garland." Thus, this magazine is not the outcome of the effort put in by an individual, but is the immense effort put forward by our Principal, the Editorial Board, all Teachers and dear Students.

Ms. Garima Gosain
Computer Coordinator

Imagine
